Interim Report Cards

We are pleased to announce that your child's Term 1 Interim Report Card will be available for online viewing and/or printing at 3 pm on Monday, November 28, 2016. Note that for this school year, online report cards will only be available to parents whose children attend Sherwood Heights or Rudolph Hennig Junior High Schools. We are anticipating that all other Elk Island Public junior high schools will offer online report cards to parents in the 2017 -18 school year.

To access the online report card, log into your PowerSchool Parent Portal account and click on "Junior High Interim Report Card". If you do not have a Parent Portal account, click on this link: [Parent Portal](#) and follow the instructions and/or instructional video.

If you wish to print the report card, click on the "print" button found on the right hand side of the top banner on the report card page. If you have any difficulty accessing, setting up, or printing the report card, please contact the school at 780-467-5930.

If you do not wish to access the report card online, please contact the school on or after November 28th and a paper copy will be sent home with your child.

Book Fair News - A big thank you to all students and staff for supporting the book fair. We raised \$1200 in profit for the school to purchase literature to support literacy.

Our school will be supporting our community food bank once again leading up to the holidays. More information to follow, thanks in advance for your generosity!

Sherwood Heights School Council - November 2017

We had a wonderful turnout in September and have formed a school council for the 2016-17 school year. I'm excited to serve as your chair this year. I wanted to take this opportunity to talk a little bit about what we have planned this year: unlike elementary schools, we do not have a fundraising society, so school council meetings will be focused on issues, discussions, and information relevant to parents.

Our next meeting is November 29th at 7:00 pm in the library. We are planning on getting parent feedback on the new nutrition administrative procedure, and to look at Sherwood Heights results on the grade 9 PATs and Accountability Survey Pillar, and to identify a few key areas where parents can help support the school. We are going to be brainstorming some presentations that may interest parents as well.

We really hope you can join us!
